

We need you! CCYP depends on the skills and efforts of our community to support our activities. Let us know what you are interested in and can contribute to the programs for our kids. We need a lot of different skills, even some you might not think of.

Please complete the following survey. We want to know more about you so we can ask for help where we need it. Check all the areas where you would be willing to help. We won't share this information with anyone else. Please provide your form to a CCYP representative or mail it directly to: CCYP, P.O. Box 965502, Marietta GA, 30066.
