

## **Curtain Call Place - House Rules**

1. Respect the rehearsal space (i.e. property, etc.) supervisors and director, and fellow actors by doing what you are asked.
  
2. Arrive **NO EARLIER THAN 15 MIN. PRIOR TO STARTING TIME**. Upon arrival at CCP all actors are to enter immediately, with no loitering outside and sign-in with the stage manager.
  
4. Move to the practice area and place all personal items in appropriate storage area. No items are to be left in the rehearsal area.
  
5. If you bring food into CCP, please make sure beverages have a covered top and you clean up trash after eating.
  
6. At **no** time during rehearsals can actors leave the space. If an actor **MUST** leave early, he must inform the adult in charge and get permission before leaving.
  
7. As with all CCYP rehearsals, behavior that will warrant a **STRIKE** and possible mandatory visit from a parent are: excessive talking, not following directions, missing a cue, being disrespectful to adults and fellow actors, including pushing, touching, hitting, using profanity, and being disruptive in any manner.
  
8. **No** drug, tobacco, or alcohol use before, during, or after a rehearsal will be permitted. These will result in automatic expulsion from the production. A CCYP Board review of the circumstances will be held if suspected of one of these to determine appropriate disciplinary action to be taken.
  
9. The storage areas are **OFF LIMITS** to everyone except CCYP board and staff. Anyone found in these areas or bothering equipment or set pieces will be issued a behavior warning immediately.
  
10. A parent or responsible adult will be on site at the end of practices to assure actors remain in the immediate area and are picked up **NO LATER THAN 15 MINUTES AFTER ENDING TIME**. No one will be allowed to wander around the shopping center.

I have read and will abide by the House Rules for Curtain Call Place.
