# How to Make Networking *Not* Weird

# What's Networking?

# The Benefits of Networking

# The Networking Cycle

# 15 Word Story

## Find Your Group

Get together with your group and introduce yourselves.

## Choose A Storyteller

Choose a group representative to capture your story.

## Tell Your Story

Going around in a circle, each person picks a word to create a 15 word story or sentence.

**Skills: Networking icebreaker and getting comfortable**

# Networking Tips & Talking Points

# Two Truths & A Lie

## Find Your Group

Get together with your group and introduce yourselves.

## Share 3 Statements

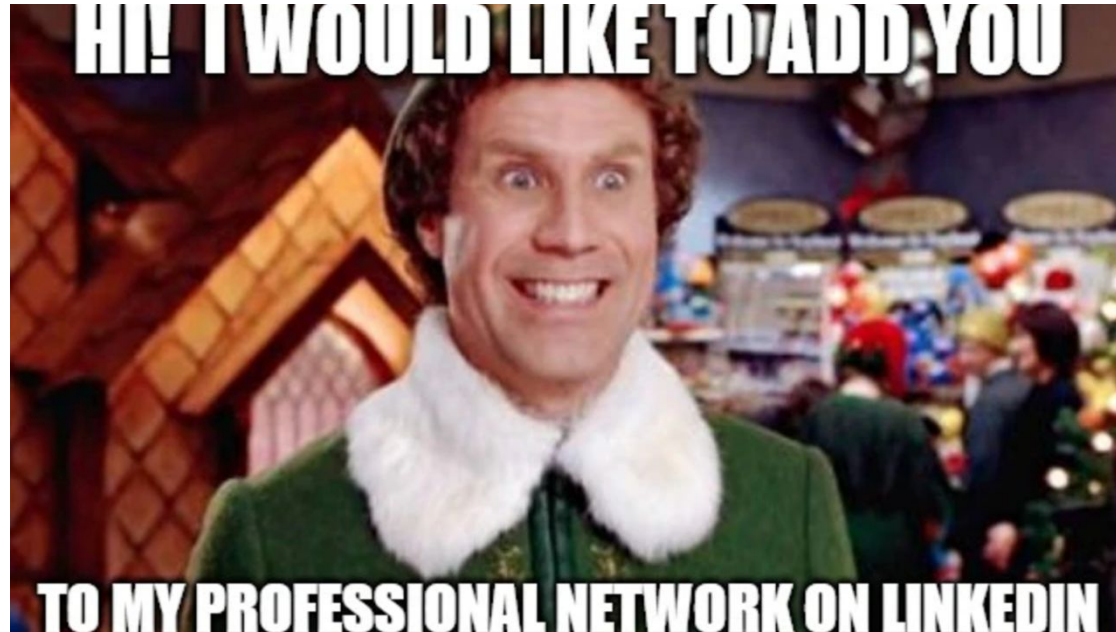

Players take turns sharing their 3 statements with the group, in any order.

## Guess The Lie

The other players listen to the statements and try to determine which one is a lie!

**Skills: Practicing conversation and asking questions**
